Texto explicativo campaña

The way we are^{*}

Birinit is a brand of children's clothing and footwear that came into existence in the spring-summer of 2019 as the realisation of the dreams of two friends, Anita and Sara. As mothers of six little ones, we envisaged **Birinit** as a completely **personal, original and one-of-a-kind space**.

We believe that good, well-made design shouldn't go out of fashion in just a few months. Which is why all our care goes into making each **collection** absolutely **timeless**. The prints in our collections, which are exclusively hand-printed for **Birinit**, can be turned into **versatile looks** that work just as well for a special occasion as they do for an afternoon in the park with friends.

Our garments allow you to add your **personal touch** through the accessories and shoes you combine them with, turning them into your go-to outfits season after season.

We put as much care as possible into **Birinit**, from production to our brand image. This is the reason we have become very selective, restricting our presence to very few retailers: the ones whose image is aligned with ours and who attract a clientele like ours.

Anita & Sara

Our conditions

***We don't offer discounts outside of the appropriate times.** We firmly believe in showing our garments the value they deserve as a great deal of work goes into them.

***We'll send you all the information and photographs you'll need.** We believe that publicising Birinit is our responsibility, so we'll provide you with everything you need for posting on your website or social media, both photographs of products and publicity shots.
